Issue 64, November 2023

Italy proposes several taxpayer-friendly changes to its cooperative compliance program

A series of new measures recently proposed by the Italian government would have a range of positive impacts on Italy's existing cooperative compliance program if enacted in their current form. Potential benefits to the cooperative compliance program would include improved access, penalty relief on issues and transactions cleared by the Italian tax authorities as within the scope of the cooperative program, and a reduced statute of limitations under which the Italian Revenue Agency may raise new tax assessments. More information is available in this [EY Global Tax Alert](#).

EY | Building a better working world

EY exists to build a better working world, helping to create long-term value for clients, people and society and build trust in the capital markets.

Enabled by data and technology, diverse EY teams in over 150 countries provide trust through assurance and help clients grow, transform and operate.

Working across assurance, consulting, law, strategy, tax and transactions, EY teams ask better questions to find new answers for the complex issues facing our world today.

EY refers to the global organization, and may refer to one or more, of the member firms of Ernst & Young Global Limited, each of which is a separate legal entity. Ernst & Young Global Limited, a UK company limited by guarantee, does not provide services to clients. Information about how EY collects and uses personal data and a description of the rights individuals have under data protection legislation are available via ey.com/privacy. EY member firms do not practice law where prohibited by local laws. For more information about our organization, please visit ey.com.
