## Ghana

### New visa-free policy for nationals of the Bahamas

#### Executive summary

Ghana recently implemented a visa-free policy for eligible nationals of the Bahamas.

#### Key developments

The new policy, implemented in April 2024, applies to holders of ordinary, diplomatic and service passports issued by the Bahamas. These individuals can now enter or transit through Ghana without a visa and stay in the country for the authorized period for business, tourism or other authorized purposes. They are not eligible to undertake work.

#### Impact on employers

The visa-free policy will benefit employers that send impacted individuals to Ghana for business purposes by reducing the time and expenses associated with admission.

#### Key steps

EY will continue to monitor these developments. Should you have any questions, we encourage you to contact one of our immigration professionals.
